Then suddenly, out of nowhere came the brightest of lights,
We were really scared, we had the biggest of frights!

What is the first symbol?
What letter does it stand for?

Clue 2

The glory was gleaming, and shining all around,
We couldn't see a thing, we fell to the ground.
Then a voice said, 'Don't be scared, but now you must run
It's the greatest news ever, the Saviour has come...

What is the second symbol?
What letter does it stand for?

Clue 3

“...The rescuer, Jesus, the one has arrived!
But when you seen him you’ll be quite surprised!
He hasn’t come as a big grown up king.
So get to him quick, his praises you’ll sing.”

What is the third symbol?
What letter does it stand for?

Clue 4

Rearrange the letters to make
the word to finish the next clue...

We ran down to Bethlehem, and there we found,
The king, Lord and saviour, with animals all around.
Look, in a manger, this Jesus we see,
The hope of the world, yet a tiny _ _ _ _

Make your way to Peniel
to find the final sheep.
